

Event Day: Virtual Classroom featuring Dr. Henry Louis Gates, Jr.
Friday, April 5, 2019
8:30am – 9:30am

What is this Event?

ETV, with support from the ETV Endowment, the Beaufort County School District, WETA, and PBS, is presenting a virtual classroom featuring Dr. Henry Louis Gates, Jr. The classroom was developed in support of Dr. Gates' upcoming PBS documentary, *Reconstruction: America after the Civil War*. Students from Beaufort's Young Leaders Group will engage in a Q&A conversation with Dr. Gates about the documentary and the topic of Reconstruction. This event will be live streamed from the ETV Beaufort Studio.

How to Participate on April 5, 2019

Click on the link below. The classroom will start at 8:30am and end at 9:30am.

Important Steps to Take Before the Event

If you are watching at school or on a school network, we recommend forwarding the information below to your school's I.T. director to ensure you are able to view and participate in this live, streaming event.

Firewalls

Some schools and libraries have a firewall that prevents the live video from streaming into your computer or device. Please inform the school/library I.T. department you need them to "whitelist" the following sites in order to view the event:

- <https://www.scetv.org/live/reconstruction-virtual-classroom>
- <https://app.sli.do/event/xdj07qon/live/questions>

Want to ask a question?

You have two options to ask questions during the virtual classroom event. We encourage students to ask as many questions as possible; however, please remember that there is no guarantee that a specific question will be selected.

- Go to <https://app.sli.do/event/xdj07qon/live/questions> to submit a question and to see other questions asked in real time.
- Email a question to virtualclassroom@scetv.org

Internet Connection

We recommend that you participate in the virtual classroom from a desktop computer or laptop that has a hardwired internet connection. You can join using Wi-Fi, but may experience delays when video clips are playing.

Connecting from a Laptop or Desktop

We recommend you view this event using Chrome or Firefox. You can also use the new versions of Edge and Safari. Test your browser's compatibility with our viewing platform, <https://www.sctv.org/live/reconstruction-virtual-classroom>

Connecting from an iPad or iPhone

When using an iPad or iPhone, this event is best viewed on Safari. You can test your browser's compatibility with our viewing platform, <https://www.sctv.org/live/reconstruction-virtual-classroom>
