

Gov Magrath. As you, I know are anxious to secure
for the State the services of her best sons. let me inform
you that Col P F Stevens. is now, without a Parish, as
a Military man he has no Superior. he is just the man
our boys want. for neither Citadel, or, Arsenal have not,
above fourth rate Professors. which is deeply to be deplored
By securing for our boys the services of this Scholar
and Soldier you will oblige Many Parents

It is necessary, for Georgia is making
a bid, and we cant afford to lose him. our
stock of Great men is now beautifully low.
