EXECUTIVE DEPARTMENT.

Green Hills 21 March 1865.

My dear Sir.

Should there be any despatches, which require my personal immediate attention, send the same to me at Newberry: for which place I start to-morrow; & there will remain during Monday & Friday I will leave for Columbia.

You will have made out for me, two copies of the letters & telegrams to Mr. Davis, Mr. Barnwell, Mr. Miles, & Gen Lee: also to Gen Hardee: which relate to the defence of Charleston.

I will also copy also of the letters to Gov: Vance, Gov. Brown, Gov. Waddy: with the instructions to Col. Kercock, Col. Mullins & Col. Manning.

These papers are to be copied on Cap paper: very legibly written.

In addition to these copies will be made of letters to Mr. Weynes & Gen Hardee with regard to the Militia of the State in service on the Coast

Yours truly  
A. Marshall
