

STATE OF SOUTH CAROLINA,

Adj't & Insp. Gen's Office

April  
Newberry, 23/65-

To  
His Excellency  
Gov. Magrath -

My Dear Governor:

I have been again doomed  
to disappointment - I am confined  
to my bed again - I left my room  
too soon, <sup>which</sup> I suppose to be the cause  
of my relapse.

Of course I cannot go to  
Greenville. Shall I report at  
Spartanburgh when I am able?  
I am very truly and  
respectfully your obt. Servt.
