

Friendship P O Clarendon
So. Car. April 6th 1865

Dear Sir

I address you for the purpose
of asking a detail from Militia
duty for the performance of the
duties of the Gospel Ministry. I have
made no such application before,
& would not now, except upon the
score of inability by reason of ill
health to bear the service. It is
my wish, should God restore my
health, to seek an appointment,
as Chaplain in Confederate service,
I am temporarily at this place
hoping, by rest from great exertion,
to recuperate from my debility -
I preach here every Sunday.

Attention to this note will oblige

Your Obedt^l Servant

C. P. Gadsden,

his Excellency Rector of St Luke's Church
Gov Magrath Charles ton

Application of
detail for
Rev. C. P. Gadsden.
