

Confidential.

Apl. 11th 1865.

Governor:—

I earnestly solicit from you an appointment in which I may be of use to yourself and to my native State.

An organic disease prevents my returning to duties which for three years I took delight in; and I am now performing only those little offices which, as a Carolinian, I ought to render my unfortunate State: viz: using my pen in an humble way to promote those interests vital to her welfare.

If you have any place at your disposal, the duties of which will not involve me in undue excitement, I will be exceedingly obliged to you if you will bestow it upon me. I only ask to be made useful to the cause.

I have the honor to be, Govr, of the S. C.
His Excellency
G. Magrath, Govr &c.

Geo: M Knight.
