

To His Excellency Gov Magrath. Governor
of the State of South Carolina

The Petition of Moses M Long M.D
respectfully shews, that he has been serving
in the 2nd Regiment State Troops, as Scout Serjeant
-enchant, since the 24th November last; and that
he is desirous of obtaining from your Excellency,
a detail for the purpose of continuing the prac-
-tice of his profession. That he has been a practis-
-ing Physician in Edgefield District, for ten
years, and feels that he could be a more service
in attending to the duties of his profession, than
in serving in the Militia. Your Petitioner there-
fore hopes, that your Excellency, may favourably
consider his application, and grant the relief
herein prayed for. And Your Petitioner will
ever pray &c.

We recommend the Petitioner to the consideration of your
Excellency.
