

Newberry S. C. Feb. 13th 1865

To his Excellency A. G. McGrath,

Governor of the State of South Carolina

This is to certify that I have been for nearly six years a regular officiating minister in Methodist Episcopal Church in discharge of ministerial duties, and for two years past have been employed as junior Pastor of the Newberry Circuit, consisting of fifteen congregations; I am employed again the present year by the same Charge as their junior Pastor. In view of the interest of the Church and extent of my field of labour I most respectfully ask an exemption from Military Service, beyond my District. You will confer a favour by granting the request of your petitioner.

J. Marion Boyd

We, the undersigned Certify that J. Marion Boyd is known to us as a regular officiating minister in the Methodist E. Church and is now employed as junior Pastor of the Newberry Circuit.
