Hey I+ been along the sense
I wrote huh. It just that I didn't have
enough coupons left over to get a postcard.
we don't get much in here, but still it's not
as bad as I thought, anyway how are the
kids+you, me so far is doing ok. still wondering
if I'm ever going to get out of here. It good
we have free time even though we have a long time.

I mostly work on the base but every now and
then I work on a farm. we work 6 days out a
week. Well if time to get back to work, I'll write
back soon as I can
